“**Halos**” represent our more than 7,000 volunteer Angel Flight pilots who fly their planes on thousands of mercy medical missions, serving many hurting and needy patients.

“**Heroes**” represent our nation’s courageous servicemen and women who have been wounded protecting our rights and the rights of all people to be free.

“**Halos and Heroes**” is a celebration of the devotion and sacrifice of these exemplary individuals and an opportunity to increase awareness and raise funds for [Air Compassion for Veterans](#).

Air Compassion for Veterans is committed to the ongoing healing process of all of our brave servicemen and women, provides medically-related air transportation at no cost to troops, veterans and their families affected by military deployment in Operation Iraqi Freedom and Enduring Freedom.
